

The Legal Department

Legal-as-a-Service

Legal specialists 'in-house'
at significantly lower cost.

BG.legal
LAW FIRM

Look further ——— Think beyond

The convenience of a single dedicated point of contact, the expertise of an entire team.

For a fixed monthly fee.

A team of in-house attorneys and legal experts, always available.

Having your own in house attorney, or even an entire legal department, is not always necessary or feasible.

In those cases, a flexible and affordable solution is the obvious choice. BG.legal offers 'The Legal Department'.

Our specialised attorneys and legal experts are ready to assist you at a moment's notice. Always on call and available as your legal help desk and trusted sparring partner. This is how we make legal services accessible, specialised, and affordable.

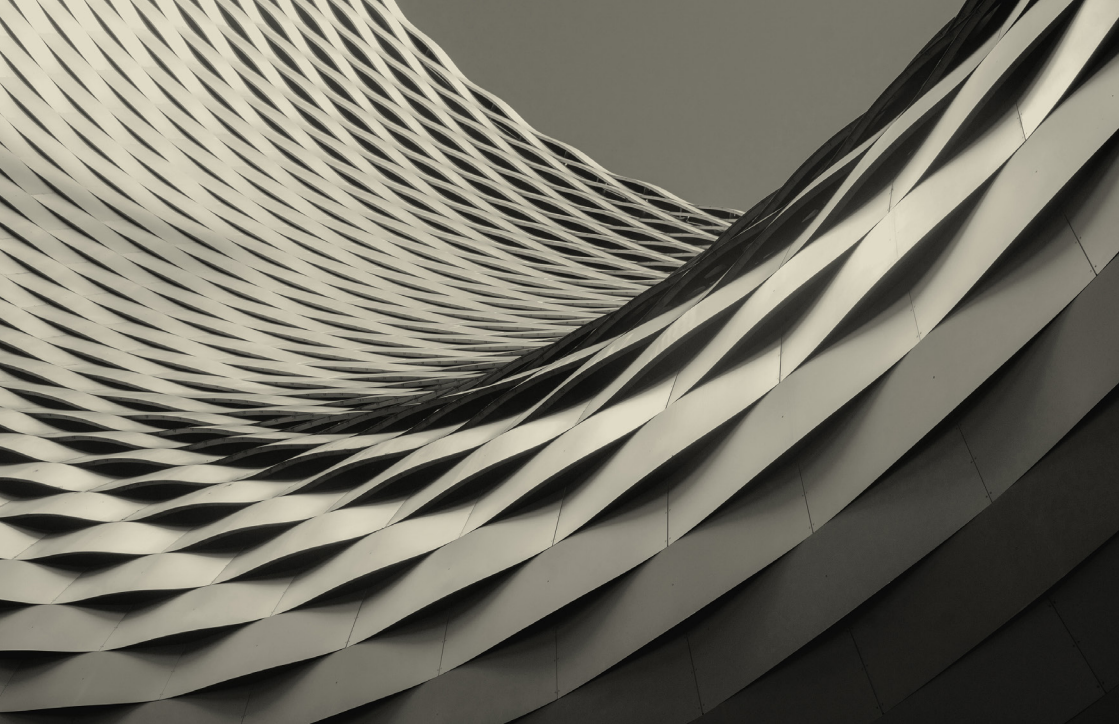

The convenience of one dedicated point of contact, the expertise of a complete team. 'The Legal Department' gives you immediate access to a dedicated team of attorneys and legal experts, **ready to step in whenever your business needs legal support.**

Specialised in a wide range of disciplines, such as:

- Employment law
- Intellectual property
- Mergers and acquisitions
- Restructuring
- (Commercial) contracts & litigation
- Privacy and cybersecurity
- Real estate law
- IT law and AI

Equally important: our legal services won't strain your balance sheet, thanks to an affordable fixed monthly fee. Our team is available whenever and wherever you need them - by phone, email, video call, or on-site.

Goal-driven and decisive.

For more than 50 years, we have been advising companies and organisations operating in a wide variety of sectors. As your guiding and strategic partner, we remain closely engaged so you can move forward with confidence.
